The Club Naming Guide, 2026

If you are starting a school club, a sports team, a book club or a dance crew, the name is the first thing new members see. This guide shows the naming style of each club type, a check list for your favourite name, a page to shortlist ideas and a plan for your first meeting.

Naming styles by club type

Club type	Style that works	Example from our generator
School club	Learning and achievement	Syntax Scholars
Sports team	Short, strong, easy to chant	Sunday Stride Squad
Book club	Cozy, literary, light wordplay	Plot Twist Book Club
Dance crew	Rhythm, flow and movement	(your crew's beat)
Business network	Polished and credible	(your industry word)
Art group	Colour and imagination	(your medium)
Social circle	Friendly and welcoming	The Tabletop Tribe

Name check list

☐ Easy to say, spell and remember.

☐ Says what the club does or stands for.

☐ Appeals to the members you want.

☐ Leaves room for the club to grow.

☐ No club near you uses it (search online and on social media).

☐ The handle or web address you want is free.

☐ Not registered by someone else (tmsearch.uspto.gov in the United States).
